Past performance is not necessarily a guide to future performance and investors should remember that past performance is not a guarantee of future results. You may not get back the amount originally invested. Percentage Growth calculated over displayed time periods aligned to the month end, total return, gross, no initial charges, in the fund currency. The benchmark used throughout this Fund Factsheet is the **LGC Index**. All Technical Analysis calculations are calculated over **3 years** in the fund currency using the benchmark listed above and the Risk-Free benchmark: US 3-Month Treasury Bill TR USD.
